REVEAL-S™

We've Got Cotton Covered™

U.S. Patent No. 9,399,362

Garment Color Chart Guide

Continue to check back with us at **conde.com/reveal** for the most current instructions and updates
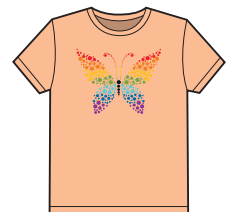

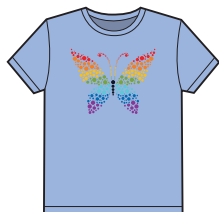

White and Off-White Colors, such and Eggshell and Neutral are acceptable for printing.

Light Gray Colors are acceptable, up to an "Athletic Gray" or "Ash Gray".

Light Pastel Colors are acceptable, such as Light Pink, Light Blue, Light Yellow and Light Green.

Medium Pastel Colors can be used, as long as the colors within your design are darker than the fabic color used for printing. User testing of image is recommended.

Full Color Garments and Dark Color Garments are not recommended for use with Reveal-S.
