**FRAMING PIECES**

- All aluminum pieces are backed with a white frame for hanging aluminum photo panels.

**TEXTURED ALUMINUM PHOTO PANELS**

- Contrasting the typically ultra smooth surface of metal photo panels, the textured finish provides a unique tactile feel for photographers and artists wanting to offer their customers more variety. The new surface provides an alternative look, feel and depth while maintaining the visibility and features that are synonymous with the ChromaLuxe name.

This new and exciting textured finish is fun to write on with standard chalk and easy to wipe clean with a damp cloth. Smaller sizes can be used in the kitchen for recipes, notes, and shopping lists while larger sizes can be used in bars, classrooms, churches, meeting rooms, restaurants, and coffee shops. Larger chalkboard signs can be used as one-of-a-kind wedding or baby shower signage with plenty of room for handwritten messages.
